TASTING :

- **Eye:** sustained, the colour is a very brilliant ruby with beautiful purple nuances.
- **Nose :** immediate and generous, the nose opens with notes of fresh red fruits such as bigarreau cherry, and black fruits such as blueberry, then it is enriched with a hint of cocoa powder and a delicate hint of liquorice.
- **Palate:** round and concentrated from the start, this wine develops a balanced structure on the palate, present but delicate tannins and a tasty acidity, all of which highlights the fruit so well that it lingers on for a long time at the end.
